How the Party Works: We request that you arrive 15 minutes before the party start time at the clubhouse to pay and sign release forms, but please no sooner. After paying you will proceed to the Combat Zone Laser Tag Arena where you will meet with your party host who will also be the field referee for the Laser Tag game. They will spend the first 15 minutes of the allotted time explaining the game play, passing out equipment, teaching the players how to use it and setting up a photo op for the parents to take pictures if requested.

This is followed by 15 minutes of laser tag play. The party then breaks for 30 minutes for pizza and drinks. (Aside from the included food, you are welcome to bring extra drinks and snacks into your reserved party space.) When the players are done eating, they will go back out for 30 more minutes of laser tag play or 2nd option from below chart. Lastly, guests will have 30 minutes back at the Picnic table for cake and gifts. (We leave bringing the cake up to you) Fifteen minutes are allowed to pack up before the arrival of our next party. (Owner reserves the right to change the order of events based on conditions at time of party.)
